

### Yule Seal Sale Now In Progress

With a greater job to do than at any time since the battle against tuberculosis began, the 38th annual Christmas Seal Sale is now on, according to Bernard C. Brennan, president of the Los Angeles County Tuberculosis and Health Association and

chairman of the Combined Christmas Seal Fund. "Never has the tuberculosis problem been so great," Brennan said. "We must take a realistic view and fight that battle now, or it will be beyond control in the post war period. Unless we fight with all we have, all that science has made available to us now, tuberculosis will not stop its killing after the armistice. "Before the outbreak of the war control was in sight. To-

day every man, woman and child must be on the alert against tuberculosis. The Christmas Seal 1942 is not only a messenger of good cheer, one of the few familiar things we still may hold on to, but more important than ever before, with a bigger job to do."

### Tire Inspection Data Is Needed By Jan. 31, 1943

America's passenger auto tires are about to have their ills diagnosed frequently and with great care as part of the nation's rubber conservation plan.

The first inspection must be completed before January 31, 1943 under mileage rationing which went into effect Tuesday. Details of the inspection to be given each tire every four months include:

1. Check of ration book and tire inspection record.
2. Listing of serial numbers of all tires on car.
3. Check for correct air pressure in each tire.

**Check General Condition**  
4. Recording of speedometer mileage reading on tire inspection record.

5. Check for bent rims and out-of-true wheels.
6. Check for cuts or breaks in tire sidewalls and treads.
7. Check general condition of tires for cuts, breaks, and evidence of wear from badly aligned wheels, faulty brakes, unbalanced wheels, camber malalignment, and excessive wear of kingpins, bushings and wheel bearings.

8. Obtain information from driver as to whether any tire has been injured inside, and not repaired.

If tires pass this visual inspection, the inspector signs the inspection record and the car may continue in operation. A fee for this service may be charged not to exceed 25 cents for each passenger vehicle when it is unnecessary to remove any tires.

Where visual inspection reveals probable serious tire ailments, the inspectors will require removal of the casings for closer scrutiny, and will prescribe the necessary repairs which must be made before inspection approval is given. The completed inspection report will be required as a basis for renewal of gasoline rationing.

The first tire inspections under general order ODT No. 21, requiring all commercial vehicles to carry Certificates of War Necessity, must be made by Jan. 15, under an amendment to the order issued by the Office of Defense Transportation.

The order as originally issued would have made it necessary for operators affected by the order to take their vehicles in for tire inspection before November 15, when the order went into effect. The amendment makes an initial inspection mandatory before January 15.

### San Pedro Defeats Narbonne Clinching Marine League Title

San Pedro's grid team took a clear lead for the Marine League championship last Wednesday by defeating Narbonne 13 to 0 for the second time this season. The victory iced the title for the Pirates altho Gardena has an opportunity today to upset their hopes. San Pedro plays Torrance in the final game of the season next Wednesday afternoon, Dec. 9, but the winless Tartars will give the Pirates no trouble.

Andy Suich, who has paced the Bucs throughout the season, turned in one of his best performances, scoring both Pirate touchdowns and kicking one extra point to add to his season's laurels.

The 13 to 0 score is only a part of the story. The Pirates were knocking at the Gauchos goal line throughout the fray and piled up 14 first downs while Narbonne managed only four. Several times a stubborn defense halted Pirate drives within the 20-yard stripe.

It's Suich Again  
The Pirates went into the lead early in the second quarter. A first period drive had halted on the 14-yard line and Imel's kick-out went out on the Narbonne 30. Suich shot a pass to Papadakis for a 19-yard gain and then picked up seven on a spurt through the line. Papadakis packed the ball to the one-foot line and Suich went over.

The other marker came in the final chapter and climaxed a 94-yard San Pedro drive. "Suich added the final 31 yards and the score in the march when he sailed around end and galloped away from Gauchos tacklers.

The victory was actually San Pedro's sixth straight, but offsetting the opening tussle with Banning, which the Pirates won easily then lost on forfeit, San Pedro has five wins to one setback.

The defeat was the third for Narbonne, two at the hands of the Pirates, and the other a one-point loss to Banning. Decision in the latter game also was reversed when the Pilots had to forfeit. Lineups:

San Pedro (13)	Narbonne (0)
Gaddis	Miller
Korjan	Milburn
Pickard	Rosbottom
Trani	Bustamante
Schmisseurter	Murray
Bothch	Tarico
Balcena	RE
Papadakis	Harline
Suich	Imel
Mahaley	LH
Tracy	Mertz
	Asher

Score by quarters:  
San Pedro 0 7 0 6-13  
Narbonne 0 0 0 0-0  
Scoring: Touchdowns—Suich, 2  
Extra point—Suich.

### Pirate Bees Take Narbonne 19 to 0

San Pedro high's class B football team, co-leaders of the Marine circuit, moved another notch nearer the 1942 title last Wednesday by whipping the Narbonne lightweights 19 to 0 on the Gauchos field. The victory sends San Pedro into the fray with Gardena with a chance to sew up the league crown. Both teams have one defeat in six starts. The Bucs made short work of the Gauchos, taking an early lead and halting every Narbonne thrust.

Included in the announcement was a request that the civilian public assist in the protection of all service personnel and civilian workers in war industries from alcoholic excess.

State and municipal authorities were urged to provide that all establishments or portions of establishments where intoxicating liquor is sold on the premises will be closed not later than midnight and not opened before 10 a. m., and that all stores or portions of stores where liquor is sold for use off the premises be closed not later than 8 p. m., and not opened before 10 a. m.

**Walteria Wood Yard License, Issued by Error, Is Revoked**  
A wood and lumber yard in Walteria at Madison and 236th sts., whose operator obtained a city business license through an error on the part of a clerk in City Clerk A. H. Bartlett's office, has been notified the license is suspended. The operator has 30 days to appeal to the Torrance Planning Commission for a zoning variance.

Bartlett informed the council Nov. 24 that the clerk in his office did not check the zoning map when the license was issued several weeks ago to Percy Tait. Residents in the area have protested the yard's location.

Employees and officials of the Dealite Company will give thanks to the city of Torrance when the rains start this winter as they drive to and from their work at the excavation plant over the improved Madison st., from Newton st., to the city boundary at the edge of the plant. City street crews have completed grading and surfacing the quarter-mile roadway with rock and oil. The improvement was requested about a month ago by the Dealite Co.

### Army Curtails Hours for Liquor Establishments

The issuance of Army and Navy orders restricting the purchase of intoxicating liquor for all service men in the eight western states was announced this week by Lieut. Gen. John L. DeWitt, commanding general of the Western Defense Command and Fourth Army. The restrictions will become effective Dec. 10.

The announcement said service men will be prohibited from purchasing intoxicating liquor except between the hours of 5 p. m. and midnight where liquor is served on the premises and 5 p. m. to 8 p. m. in stores where liquor is served for consumption off the premises. Sale or consumption of beer is not restricted.

Included in the announcement was a request that the civilian public assist in the protection of all service personnel and civilian workers in war industries from alcoholic excess.

State and municipal authorities were urged to provide that all establishments or portions of establishments where intoxicating liquor is sold on the premises will be closed not later than midnight and not opened before 10 a. m., and that all stores or portions of stores where liquor is sold for use off the premises be closed not later than 8 p. m., and not opened before 10 a. m.

Women have been given a definite spot in this war effort. The Fourth Fighter Command needs civilian women volunteers to operate its elaborate communication system that serves as a warning in case of the approach of enemy craft. This work is in operation 24 hours per day, and requires the services of 2,000 women. The army trains women who meet its requirements, furnishes transportation, luncheon, and attractive rest and recreation facilities.

All civilian women, American citizens, between the ages of 18 and 50, in good health, with adequate sight and hearing, are urged to participate in this important service. Call Tucker 6567 or write P. O. Box 2158, Terminal Annex, Los Angeles, for information.

### Road to Dicalite Plant Improved

Employees and officials of the Dealite Company will give thanks to the city of Torrance when the rains start this winter as they drive to and from their work at the excavation plant over the improved Madison st., from Newton st., to the city boundary at the edge of the plant. City street crews have completed grading and surfacing the quarter-mile roadway with rock and oil. The improvement was requested about a month ago by the Dealite Co.

### Tartars Show Power But Lose To Pilots 21-6

By STANLEY PIERSON

The Torrance Tartars displayed more offensive strength against Banning last Wednesday than had been shown in any of their previous games despite the fact that they fell by the wayside to the time of 21 to 6. Tommy Randall was the outstanding man in the game. He paved the way for two of the Banning touchdowns. The first came as a result of a sensational 50-yard forward pass from Randall to Bob Helm who lateraled to Bob Rapp for the score. Big John Nickewich made his first of three successful conversions. The Tartars struck back hard, marching straight down the field with a drive which was culminated in a aerial from Wally Post to Guy DeWitt in the end zone. In the closing minutes of the first half, the Pilots scored again, this time on a short pass from Louie Manzo to Jack Hedges.

The second half saw the Tartars make several drives deep into Banning territory, but these were always halted inside of the 20-yard line. Late in the fourth quarter, Randall intercepted a Torrance pass and raced 50 yards to the 1 before he was stopped. On the next play a line buck by Randall was good for the final touchdown. Lineups: Torrance (6) Banning (21)  
Gores LBR D'Ambrosi  
Prowten LTR Finneum  
Bishop LGR Reeves  
Prime RGL Turner  
Winters RTL Hostrop  
Dewell RTL Gilbert  
W. Smith LBR Colin  
Loech RBL Hedges  
Post P Hinchberger

Score by quarters:  
Torrance 0 6 0 0-6  
Banning 7 0 7 4-21  
Banning Scoring: Touchdowns—Hedges, Rapp, Randall. Conversions—J. Nickewich, 3.  
Torrance Scoring: Touchdown—DeWitt.

### Navy Mothers To Elect Officers

Officers for the coming year will be elected at the regular meeting of the Little Hills Navy Mothers' Club at the home of Mrs. O. R. Dewell, 915 Cota ave., Torrance.

Officers of the club have requested that all those who are doing Red Cross work to bring their finished articles to the meeting. All members are urged to present, as considerable important business will be discussed.

Mothers of men in the naval service are eligible to membership and will be cordially welcomed at the meeting.

### Women Wanted for Warning Service

Women have been given a definite spot in this war effort. The Fourth Fighter Command needs civilian women volunteers to operate its elaborate communication system that serves as a warning in case of the approach of enemy craft. This work is in operation 24 hours per day, and requires the services of 2,000 women. The army trains women who meet its requirements, furnishes transportation, luncheon, and attractive rest and recreation facilities.

All civilian women, American citizens, between the ages of 18 and 50, in good health, with adequate sight and hearing, are urged to participate in this important service. Call Tucker 6567 or write P. O. Box 2158, Terminal Annex, Los Angeles, for information.
